INTERNATIONAL CONGRESS of CARDIOLOGY
GOLDEN TULIP HOTEL VIVALDI-Dragonara Road - STJ 3141 - St Julians, Malta

March 26th-28th, 2015

Honorary Presidents
1. Prof Giuseppe Novelli, Rector of Tor Vergata University, Director of Genetic Center, Tor Vergata University, Rome, Member of Superior Council of Health
2. Dr Konrad Mizzi, Minister for Energy and Health of Malta
3. Prof Fausto Pinto, President of European Society of Cardiology

Congress Presidents
1. Prof Francesco Romeo, President of Italian Society of Cardiology, Director CV Department, Tor Vergata University, Rome
2. Dr Robert G Xuereb, President of Maltese Cardiac Society, Chairman Department of Cardiology, Mater Dei Hospital, Malta

Scientific Committee
Director
Dr Vincenzo Montemurro, Cardiology Director, Scilla Hospital, Scilla-ReggioCalabria

Secretary
Prof Francesco Barillà, Cardiology Professor, La Sapienza University, Rome
Dr Giuseppe Gullace, Consultant Cardiologist, Zucchi Institute, San Donato Group, Carate Brianza, Monza
Dr Daniela Cassar De Marco, Cardiologist, Mater Dei Hospital, Malta
Dr. Caroline Jane Magri – Cardiologist, Mater Dei Hospital, Malta
Dr Terence Tilney, Consultant Cardiologist, Mater Dei Hospital, Malta

Faculty
1. Prof Giuseppe Ambrosio, Cardiologist, University of Perugia
2. Prof Franco Arrigo, Cardiology Director Emeritus, University of Messina
3. Prof Alberto Balbarini, Cardiology Director, University of Pisa
4. Prof Frank Benedetto, Cardiology Director, Morelli Hospital, Reggio Calabria
5. Dr Alexander Borg, Consultant Cardiologist, Mater Dei Hospital, Malta
6. Prof Mauro Borzi, Cardiology Tor Vergata University, Roma
7. Prof Claudio Brunelli, Cardiology Director, University of Genoa
8. Prof Giorgio Calabrese, Ph.D. h.c. - Docente di Dietetica e Nutrizione Umana
   Università degli Studi Federico II- Napoli, Università degli Studi Torino, Fac. Medicina Sc.
   Spec. Chirurgia Ospedale Molinette , Torino
9. Dr. Maria Pia Calabrò, Messina
10. Prof Paolo Camici, Cardiology Hospital San Raffaele, Milan
11. Prof Alessandro Capucci, Cardiology Director, University of Ancona
12. Prof Nino Careggi, Cardiology Director, University of Messina
13. Dr Nada Cemerlic-Adjic, ICVDV, Novi Sad
14. Prof Marco Matteo Ciccone, Cardiology University of Bari
15. Prof Gennaro Cice, Cardiology Director, University of Naples
16. Dr Luigi Collarini, Cardiology Director, Fatebenefratelli Hospital, Erba-Como
17. Prof Gian Luigi Condorelli, Director of Genetic Center, Humanitas Hospital, Milan
18. Dr Gloria Demicheli, Cardiology Consultant, Alessandria Hospital, Alessandria
19. Dr Mario S De Tommasi, Consultant Cardiologist, Bergamo
20. Prof Joseph DeGiovanni, Consultant Cardiologist, University Hospital, Birmingham, UK
21. Prof Livio De Cas, Cardiology Director Emeritus, University of Brescia
22. Prof Siobdan Dodic, Cardiac Rehabilitation Director, IVCDV Institute, Novi Sad
23. Prof Francesco Fedele, Cardiology Director, University of Rome
24. Prof Cesare Fiorentini, Cardiology Director, University of Milan
25. Dr Amando Gamba – Heart Surgery director, Director of CV Department, Lecco Hospital, Lecco
26. Prof Victor Grech, Consultant Paediatric Cardiologist, Mater Dei Hospital, Malta
27. Prof Paolo Guccione, Cardiology Director, Hospital of Taormina
28. Dr Michele Gulizia, President of National Association of Hospital Cardiologists, Cardiology
   Director, Catania Hospital, Catania
29. Prof Robert Jung – Director of ICVDV Institute, Novi Sad.
30. Prof Aleksandar Lazarevic, Senior Consultant, Clinic for Cardiovascular Diseases, University
    Hospital Clinical Center Banja Luka, Banja Luka, Republic of Srpska, Bosnia and Herzegovina
31. Prof Francesco Luzza, Internal Medicine Professor, University of Messina
32. Dr Andrea Macchi, CardiologyDirector, Busto Arsizio Hospital, Busto Arsizio-Varese
33. Dr Alexander Manché, Chaiman Cardiothoracic Surgery, Mater Dei Hospital, Malta
34. Dr Maria Teresa Manes, Coronary Care Unit Director, General Hospital, Cosenza
35. Dr Ruggero Mango, Researcher, Tor Vergata University, Rome
36. Prof Alberto Margonato, Cardiology Director, Policlinico San Donato, Milan
37. Prof Mario Marzilli, Cardiology Director, University of Pisa
38. Dr Nicola Maurea, President of Italian Association of Cardio Oncology, Cardiology Director,
    Pascale Foundation Hospital, Naples
39. Dr Domenico Mercogliano, Heart Surgery Director, Alessandria Hospital, Alessandria
40. Prof Marco Metra, Cardiology Director, University of Brescia
41. Prof. Savina Nodari, Director of Heart Failure Unit and Day Hospital of Heart Failure and
    Arrhythmias, Department of Cardiology and Cardiothoracic Surgery, Spedali Civili and
    University of Brescia
42. Prof Salvatore Novo, Cardiology Director, University of Palermo
43. Prof Giuseppe Oreo, Cardiology Director, University of Messina
44. Dr Daniela Pavan, Director cardiovascular Department, Pordenone Hospital, Pordenone
45. Prof Maria Penco, Cardiology Director, University of L’Aquila
46. Prof Pasquale Perrone Filardi, Naples
47. Prof Federico Piscione, Cardiology Director, University of Salerno
48. Prof Ezio Pizzi , Reggio Calabria
49. Prof Patrizia Presbitero, Cardiology Director, Humanitas Hospital, Milan
Program

Thursday March 26th, 2015
15:00 Opening ceremony in Corinthia Hotel San Julian Malta
Presenter: V Montemurro (Scilla)
Welcome to Malta: Dr Konrad Mizzi, Minister for Energy and Health of Malta
Welcome to the Congress by:
Prof Giuseppe Novelli, Honorary President
Dr Robert G Xuereb, President of Maltese Cardiac Society
Prof Franco Romeo, President of Italian Society of Cardiology
Dr Michele Gulizia, President of Associazione Nazionale Medici Cardiologi Ospedalieri

15.30 – 16.00 Honorary Lecture: Mistakes in cardiac management of adult congenital heart patients - J Somerville (London, UK)
Presenter: P Presbitero (Milan)

16.00-16.30 Lecture 1: The Secret of Creation: The genetic maps and the possibility to move from disease fight to healthy life – G Novelli (Rome)
Presenter: F Romeo (Rome)

16.30-17.00 Lecture 2: Knights of Malta’s Order: Physiopathology of atherosclerosis and its protective factors – F Romeo (Rome)
Presenter: G Novelli (Rome)

17.00-17.30 Lecture 3: Hyppocrates’ Dream: Smoking Ban: Malta, Europe and the rest of the World – RG Xuereb (Malta)
Presenter: V Montemurro (Scilla)

17.30-18.40 Symposium 1: Gender and sex differences in heart diseases
Chairmen: N Cemerlic-Adjic (Novi Sad) – G Novelli (Rome) – D Pavan (Pordenone)
Woman across History: the strength of sex difference, from gender equality to inequality. – G Gullace (Monza)
Ischemic heart disease: what is due to gender and what to sex? – MT Manes (Cosenza)
Ischemic heart disease: the strength of differences – M Penco (L’Aquila)
Is there a female vs male different answer to Cardio Vascular therapy? – G De Micheli (Alessandria)
Friday March 27th, 2015
8.30-9.30 Symposium 2: Management of cardiovascular emergency in the point of care out of the hospital
Chairmen: *F Fedele* (Rome) – *M Santomauro* (Naples) – *L Collarini* (Erba)
Chest pain on the point of care: how to differentiate it – *A Zaninelli* (Florence)
How organization may influence emergency management? – *C Fiorentini* (Milan)
Additional value of technology for decision making – *G Gullace* (Monza)

9.30-10.50 Symposium 3: Ischemic heart disease
Chairmen: *F Romeo* (Rome) – *R Jung* (Novi Sad) – *A Margonato* (Milan)
Acute Coronary Syndromes: all patients must be addressed to Cath Lab? – *F Piscione* (Salerno)
Non-ST elevation myocardial infarction management – *M Marzilli* (Pisa)
How to manage ischemic patient undergoing general surgery? – *S Nodari* (Brescia)
Cardiogenic shock in Acute Coronary Syndrome? – *S Savonitto* (Lecco)

10.50-11.20 Lecture 4: The myth of the Cave:
New technologies in cardiology: from the dream to the real world – *F Romeo* (Rome)
Presenter: *S Novo* (Palermo)

11.20-11.40 Coffee break

11.40-12.40 Symposium 4: Heart failure
Chairmen: *S Novo* (Palermo) – *RG Xuereb* (Malta) – *C Fiorentini* (Milan)
Echocardiography in Heart Failure – *G Gullace* (Monza)
Genetic profile of Heart Failure – *PL Condorelli* (Milan)
New drugs in the therapy of Heart Failure – *M Metra* (Brescia)
Heart Failure in women vs men: is there a difference? *G Ambrosio* (Perugia)

12.40 – 13.10 Lecture 5: The myth of Scylla and Charybdis:
How to capture the transient moment from function to dysfunction. - *GF Sinagra* (Trieste)
Presenter: *D Pavan* (Pordenone)

13.10-14.10 Lunch

14.10-14.40 Lecture 6: The myth of Arabic Phoenix (*melior de cinere surgo*):
Repair or regeneration of the damaged heart? – *L Dei Cas* (Brescia)
Presenter: *A Balbarini* (Pisa)

14.40-15.40 Symposium 5: Interventional Cardiology
Chairmen: *S Dodic* (Novi Sad) – *A Zangrillo* (Milan) – *A Manche* (Malta)
Transcatheter Aortic Valve Implantation up to date – *GP Ussia* (Rome)
Mitral clip: the state of the art - *M Marzilli* (Pisa)
Patent Foramen Ovale: to close or not to close? and when? – *P Presbitero* (Milan)

15.40-17.00 Symposium 6: Surgical chances in intervention era
Chairmen: *C Brunelli* (Genoa) – *G Ruvolo* (Rome) – *S Nodari* (Brescia)
Selection of patients for coronary artery bypass graft – *R Jung* (Novi Sad)
Mitrval valve disease: when surgery is better? –*D Mercogliano* (Alessandria)
Aortic disease: when surgery? – **A Gamba (Lecco)**
Should patients with asymptomatic severe aortic stenosis be referred for surgery? **A Manché (Malta)**

**17.00-18.20 Symposium 7: New perspectives in Cardiovascular Imaging**
Chairmen: **A Balbarini (Pisa)** – **A Lazarevic (Banja Luka)** – **M Penco (L’Aquila)**
Angio computed axial tomography: new application fields – **F Fedele (Rome)**
Magnetic Resonance for pericardial disease - **A Borg (Malta)**
Global Strain for clinical application – **S Carerj (Messina)**
Flow dynamic - **F Benedetto (Reggio Calabria)**

**18.20-19.00 Special Topics - Presenter: M Borzi (Rome)**
**18.20-18.40 Special Topic 1 on:** Uric acid: new Cardio Vascular risk factor? – **V Montemurro (Scilla)**
**18.40-19.00 Special Topic 2 on:** Cardiotoxicity in oncological therapy – **N Maurea (Naples)**

**Saturday March 28th, 2015**

**8.30-9.50 Symposium 8: Congenital Heart Diseases**
Chairmen: **M De Tommasi (Bergamo)** – **P Guccione (Taormina)** – **P. Presbitero (Milan)**
Fetal Echocardiography: indications and objectives – **M Scimone (Scilla)**
Childhood Obesity - a National Monitoring Programme - **V Grech (Malta)**
The impact of treatment for congenital disease: a legacy or a burden – **J DeGiovanni (Birmingham)**
Left-sided heart obstructive syndromes: diagnosis and management – **MP Calabrò (Messina)**

**9.50-10.20 Honorary Lecture:** The role of Scientific Societies in promoting good clinical practice – **F Pinto (Lisboa)**
Presenter: **G Gullace (Monza)**

**10.20-11.40 Symposium 9: Cardiovascular therapy**
Chairmen: **M Scherillo (Benevento)** - **M Borzi (Roma)** – **P Perrone Filardi (Naples)**
Efficacy and management of:
New Oral Anticoagulants – **F Pinto (Lisboa)**
Antiaggregation - **A Lazarevic (Banja Luka)**
New antioxidants to treat metabolic disorders – **V Montemurro (Scilla)**
Ranolazine – **G Cice (Naples)**

**11.40-12.20 Special Topics - Presenter: V Montemurro (Scilla)**
**11.40-12.00 Special Topic 3 on:** Equivalent drugs: clinical pharmacologic aspects. **C Fiorentini (Milan)**
**12.00-12.20 Special Topic 4 on:** Generic and brand drugs: which ones to be saved? – **A Margonato (Milan)**

**12.20-13.40 Symposium 10: Secondary Prevention**
Chairmen: **F Luzzi (Messina)** – **M Gulizia (Catania)** – **F Pinto (Lisboa)**
Hypertension – **F Barilla (Rome)**
Exercise prescription – **S Dodic (Novi Sad)**
Diabetes – **A Macchi (Busto Arsizio)**
Dyslipidemia - **M Ciccone (Bari)**

**13.40-14.30 Lunch**
14.30-15.00 **Lecture 7: The myth of Filippides:** How can ECG help the prevention of sudden death.–
*G Oreto (Messina)*
**Presenter:** *S Carerj (Messina)*

15.00-16.10 **Symposium 11: Arrhythmology**
**Chairmen:** *M Scherillo (Benevento) - CD Vizza (Roma) - P Camici (Milano)*
Genetic basis of sudden death – *R Mango (Rome)*
Sleeping apnea and arrhythmias – *A Capucci (Ancona)*
Selection of patients for Intra Cardiac Device implantation – *M Gulizia (Catania)*

16.10-16.30 **Special Topic 5 on:** Chronic Obstructive Pulmonic Pathology and heart failure –
*F Arrigo (Messina)*
**Presenter:** *F Luzza (Messina)*

16.30-17.15 **Presenter:** *E Pizzi (Reggio Calabria)*
16.30-16.45 **Special Topic 6 on:** Diet and Sport - *G Calabrese*
16.45-17.15 **Lecture 8: From Sumeric Medicine:** Nutraceuticals: from nature the new hopes for treatment – *V Montemurro (Scilla)*

17.15 **Closure Ceremony**

**Provider Ecm:**

---

**Segreteria Organizzativa:**
